These rates are an eligible cost in some of the Programs of the Spanish R+D+i National Plan

- The service charge includes general/common use consumables. Any specific supplies or equipment requested by the user will be charged additionally, as well as any other charges due to outsourcing services needed to carry out the service.
- These rates will be charged the Value Added Tax (VAT) in force.
- It will be possible charging reduced rates for half-hour intervals or half-day shifts, depending on the item to be invoiced.
- Users may request exception (which may be total or partial) from payment, in which case a justification shall be necessary.
- Fees will be invoiced at the end of the service. However, CLPU reserves the right to require users to send an advance payment prior to the services.
